Letter.

No. INT 1151, F.

Public Works Department,
Bombay Castle (Bombay No.1),
2nd January 1952.

To

The Public Health Engineer to Government.

Subject:- Grant of Periodical Increments.

Reference: Your letter No. A-1-33/G/13836, dated the 23rd October 1951.

2. Your presumption that orders contained in Government Resolution, Finance Department, No. 7532/33, dated the 9th December 1950, are not operative in cases wherein the services of the persons are governed by the orders contained in Government Resolution, Political and Services Department No. 2735/46-F, dated the 26th April 1950, is confirmed subject to the remarks that no concession regarding counting of leave, other than extra-ordinary leave, will be granted if the absorbed state servant is temporarily holding for less than 3 years a post higher than the post in which he was originally absorbed, but that he will be permitted to count leave, other then extra ordinary leave, for the purpose of earning increment in the post in which he has been absorbed.

*3. Your presumption that the period of 3 years in respect of non-permanent Ex-State servants can be counted by including the services put in by them in the Ex-State prior to their absorption is not correct.

By order of the Governor of Bombay,

(S. V. Iyer),
Assistant Secretary to the Government of Bombay,
Public Works Department.
